Preparing for your worst day.

www.riema.ri.gov
Do Something...

- Purchase Flood Insurance
- Get a Back-up Battery Phone Charger
- Copy Important Personal Records
- Take Photos of your Personal Property
- Buy a Weather Radio
- Take CPR Training
- Sign-up for CodeRED
- Learn your local Evacuation Routes
- Make copies of your Prescriptions
- Set aside some $$ Cash $$

WHAT **YOU** DO MATTERS
Preparedness Planning & Tips
Evacuation Planning

• If ordered to evacuate, do not wait or delay your departure.
• Select an evacuation destination that is outside of the affected area.
• Be prepared to wait in traffic.
• If possible, make arrangements to stay with a friend or relative who will not have to evacuate.
• Know your local shelter locations. Remember, shelters do not usually accept pets.
• Make sure that you fill up your car with gas before you leave.
The first 72 are on YOU!

A disaster-supply kit should consist of a three-days (72 hours) supply of basic items that household members may need in the event of a disaster.

A disaster-supply kit can be used in your home if there is an extended power outage or it could be used if you have to leave your home and go to a shelter.

During an emergency, you will probably not have time to shop or search for the items you need.
Emergency Supplies Kit

- Flashlight with batteries
- Water, 1 gal. per person per day
- Snacks
- NOAA radio
- Medications
- Cellphone external battery charger
- Blanket
- Cash (banks and ATMs may be unavailable)
- First aid supplies
- Clothing
- Sanitation and toiletry supplies

A disaster-supply consist of basic items that household members may need in the event of a disaster.

Disaster-supply kit can be used in your home, car, or shelter

During an emergency, you will probably not have time to shop or search for the items you need.
Supply Kit (cont.)

Keep canned foods in a cool, dry place.
Keep boxed foods in tightly-sealed plastic or metal containers.
Change stored food and water supplies every six months.
Twice a year, check your disaster kit and make sure all items are in good working order.
Put all of your supplies in one or two easy to carry containers.
Consider making disaster kits for work and for the car.
## Preparing Pets

### Disaster Preparedness Checklist

- Food/water - 5 days’ worth
- Bowl/can opener
- Medications/medical records
- Pet first-aid kit
- Feeding schedules/medical conditions/behavior issues
- Veterinarian’s contact information
- Litter box/litter/scoop
- Doggie bags
- Leashes/harnesses
- Carriers or crates
- Blanket/towels/toys
- Current photo of you with your pets/description of your pets

Optional: Newspapers, paper towels, plastic trash bags, grooming items, and household bleach. Additional gallons of water will always be useful, too!
Sheltering In Place

When it's simply best to stay where you are and avoid any uncertainty outside by “sheltering in place“.

Find out what the warning system in your area.

Manage Water and Food

- Water Treatment
  - Boiling
  - Chlorination
  - Distillation

- Food Safety
  - Discard any food that has come into contact with contaminated flood water.
  - Discard any food that has been at room temperature for two hours or more.
  - Use ready-to-feed formula. If you must mix infant formula use bottled water, or boiled as a last resort
Sheltering In Place

Sealing a Room

- Temporary protective measure to create a barrier between you and potentially contaminated air outside.
- It is a type of sheltering in place that requires preplanning.
- Large amounts of debris in the air, or if local authorities say the air is badly contaminated, you may want to take this kind of action.

Cover all doors, windows and vents with 2-4 mil. thick plastic sheeting

Cut the plastic sheeting several inches wider than the openings and label each sheet

Duct tape plastic at corners first, then tape down all edges
Mobile Phone Preparedness Tips
I.C.E.

In Case of Emergency (ICE)

1. Take out your cell phone
2. Go to your phone book
3. Add a new contact
4. Type “ICE” in the first name box
5. Enter in the contact information of the person you want notified if something happens to you
American Red Cross

Red Cross Emergency App

Receive severe weather & emergency alerts for family & friends located throughout the U.S.

View preparedness tips for all-hazards

Test your preparedness knowledge by taking various disaster-specific quizzes

To download:
